TECHNOLOGY**

(An ISO 9001: 2008 Certified Institution)

An Autonomous Institution

Affiliated to Anna University, Chennai

BANNARI AMMAN INSTITUTE OF TECHNOLOGY

The Bannari Amman Institute of Technology (BIT) is the fruit of decided efforts put up by the Bannari Amman Group, a leading corporate house under the dynamic chairmanship of a great visionary Dr. S. V. Balasubramaniam in South India to establish a center of excellence in Engineering & Technology. It is an impressive campus, situated in a serene surrounding at the foot hills of Nilgiris Mountains. The institute is affiliated to Anna University, Chennai and approved by AICTE, New Delhi. The Institute offers 15 undergraduate and 14 postgraduate Programs in Engineering, Technology. The institution is ISO 9001:2008 certified for its quality education and most of the courses are accredited by National Board of Accreditation (NBA), AICTE and NAAC with 'A' Grade.

ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering is a unique center of BIT established in 1996. It offers a 4 year B.E (Computer Science & Engineering) programme and 2 year M.E. (Computer Science and Engineering) programme. It has dedicated and specialized faculty members in different areas of computer Science and Engineering with rich experience in academics, industry and research. The department has well equipped and spacious laboratories with modern computer equipments.

ABOUT THE SEMINAR

Internet of Things is an emerging technology that is dynamic, manageable, cost-effective and adaptable making it ideal for today's dynamic applications. This workshop benefits the participants in enhancing their knowledge in IOT with different real time examples and further enhances the vision on the research activities.
